Administration

PRINCIPAL

Dear Students of the Class of 1979

On behalf of the Administration and the teachers, it is with great pleasure that I commend you on your completion of Hubbard School, and it is with pride that I congratulate so many of you for outstanding achievement.

As you know, Hubbard School is dedicated to the principle of providing the best education possible for all of its students. Our Program has offered opportunities for your self-discovery and personal development. As loyal young men and young ladies, you have not only kept Hubbard a good school, but you have also helped to make it better. You have added to its history and you have enriched its traditions.

As you embark on your Senior High School careers, we hope that each of you will continue to take advantage of the opportunities to deepen and extend your wholesome interests and abilities, and to direct them toward a lifetime of social achievement and personal fulfillment.

It is our sincere wish that you continue to strive for the best that life has to offer you. I am sure that if you follow that goal, your lives will be richer and that wherever you are, the world will be a better place because you are there.

We extend to you our very best wishes for your future.

Sincerely,
Leonard F. Jengeleski, Principal

GRADUATES

Down the way where the days are gay
and the sun shines brightly on the school roof top
we passed a store and streets galore
and when we got to Hubbard we made a stop.

But we're sad to say we're on our way
won't be back for many a day
our hearts are down, our heads are turning around
we have to leave a lot of friends in
Hubbard Town.

We cross the bounds to the High School grounds
where our lives will change in many a way
we walk the street with happy feet
so good-bye to Hubbard School today.

This school has taught us to work and play
and after this we'll be on our way
we leave these words for our friends who stay
you must make the best of everyday.

But we're sad to say we're on our way
won't be back for many a day
our hearts are down, our heads are turning around
we have to leave a lot of friends in
Hubbard Town.
